The 30th Blue Butt Rally is about map reading and correctly answering questions along the 350 – 410 miles. It is not a competitive event nor is it a race; one fantastic ride. There is no scoring, ranking or even a time limit to finish. (Although most riders typically finish in 8 to 12 hours.) You can ride solo or in a group; you choose. If your bike develops "issues", we will bring you and your bike back to the starting line if it breaks down.
